Internship Process and Guidelines for Students and Faculty Supervisors

1. Students will obtain a recommendation letter from internship office, if required by the organization. Students can obtain a recommendation letter using either of following links:
 - <https://cui-talib-e-ilm.web.app/>
 - <https://eservicescui.vercel.app/>
2. The minimum internship duration is six working weeks. Any internship period that overlaps with examination weeks, on-campus physical classes, or other non-working periods will not be counted toward the required six-week duration.
3. After obtaining the internship, students will fill out the Google Form (<https://forms.gle/W2RFYTHwwU7d18hB8>) and upload their offer letter, along with the details of the organization, their role, the site supervisor's details, and the names of three preferred faculty supervisors.
4. Internship office will scrutinize the applications and accept or reject them.
5. Students with accepted applications will be allocated faculty supervisor by internship office.
6. Students will request site supervisor to email faculty supervisor about joining at internship.
7. The faculty supervisor will verify, through email or other appropriate means, that the student is actively carrying out the internship and fulfilling the assigned responsibilities.
8. Faculty supervisor will collect weekly reports from student via email. Accumulated weekly reports will be signed by site supervisor at internship completion for physical internship.
9. Students will submit a final internship report in hard binding and internship certificate.
10. For both remote and onsite internship, evaluation will be done by site and faculty supervisor, 50 marks each. For freelancing internships, internship office will evaluate.
11. Evaluation forms will be given and collected from site supervisor and faculty supervisor by internship office. It could simply be google form filled using verified email.
12. The Faculty Supervisor will be responsible for submitting a file for each student to the Internship Office. The file will contain three documents: the accumulated weekly reports, the internship completion certificate, and the final internship report.
